WHAT'S BEEN HAPPENING THIS TERM

Gardening & scarecrow -

To kickstart Term 4 we have been busy gardening and creating our scarecrow. We have filled our garden pod with veggie plants and flowers and also have planted sunflower seeds in our scarecrow garden bed. The children voted to name our scarecrow Hallow (Hal).

We would also like to thank the Watts family for the scarecrow frame and clothes and the Hopkins family for the worm donation.

What's Coming Up?

Reduce, Reuse, Recycle, Re-invent:

This term we are collecting egg cartons so that we can create a beautiful art piece to display in our OSHC room. The children have been busy cutting and painting the egg cartons for the piece. We would also really appreciate any egg carton donations for this activity.

Leaders Term 4:

This term the children once again voted in lots of new leaders. In particular Marius Wilson and TJ Wilkins (OSHClub leaders) who have been working hard as assistants, running group time and organising group games inside and outside.

Prep Open Day:

On Monday the 22nd of October (Pupil Free Day), we had the opportunity to meet and talk to interested parents of next years Prep students about our service and what we do. Our leaders Marius and TJ also assisted with the morning by handing out OSHClub gift packs.
